Where can Meigs County Public Transit take me?

Whether you're headed to work, a doctor's appointment, the grocery store, or visiting friends and family, MCPT is here for you. Our service covers all of Meigs County and the town of Mason, West Virginia, and is open to all riders. Need to travel beyond our service area? We work with local community partners and neighboring county transit providers to help get you there. Call for details.

When can I take Meigs County Public Transit?

We operate Monday – Friday from 7:00am – 4:00pm. MCPT has a 30-minute pick-up window, which means the vehicle can arrive between 15 minutes before and 15 minutes after your scheduled pick-up time. If there is no response from the rider within 5 minutes of our vehicle arriving at your location, you will be considered a No Show.

Are the vehicles handicap accessible?

Yes. All our vehicles are ADA accessible, equipped with lifts, ramps and mobility device securement. Individuals with mobility disabilities are welcome to use wheelchairs and manually powered mobility aids, or other similar devices. Meigs County Public Transit also transports individuals traveling with portable oxygen tanks. For safety reasons, portable oxygen tanks must be able to be secured.

Drivers are not required to assist with transporting items from the vehicle to the residence or building. An escort or personal care attendant may accompany you.

Will I be riding with other people?

Yes. MCPT is a shared ride service, which means you may be joined by other riders heading in the same direction. Sharing rides helps us keep costs low and extend service to more people across the county.
